

— CLOUD + AI · VIETNAM

Company Profile

2026

Solid as onyx. Sharp as technology.

About us

Founded in 2026, Sonyx - the cloud + AI company built for Vietnam's enterprise.

Multi-vendor - Sovereign - Always on

Named after the onyx stone — a symbol of strength and resilience — we are built to give businesses an unbreakable digital foundation.

Solid as onyx
Sharp as technology

— OUR HERITAGE

Born from Digital – Built for **Cloud + AI**.

Vietnam's cloud adoption is accelerating. Data sovereignty law is in effect. AI is no longer optional. 8onyX was built exactly for Vietnam's enterprise - with multi-vendor depth and local compliance expertise.
